SUBJECT TO TERMS & CONDITIONS SPECIFIED ON REVERSE SIDE HEREOF

DUPLICATE INVOICE

RECEIVE, subject to the classifications and tariffs in effect on the date of this Shipping Order, marked, consigned, and destined as indicated below, which said carrier (the word carrier being the property described below in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Freight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classification in effect on the date hereof, if this is a rail or a rail-water shipment; or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

<small>* If the shipment moves between two ports by air or by water, the law requires that the bill of lading shall state whether it is carriage or shipment weight only. Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper as follows: 50¢ Per Lb.</small>																																							

*If the shipment moves between two parts by a carrier by water, the law requires that the bill of lading shall state whether it is a bill of lading for the entire shipment or for a portion thereof. Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby stated by the shipper to be not exceeding 50¢ Per L.B.

Agent must detach and retain this Shipping Order and must sign the Original Bill of Lading.
